WHO WE ARE

Founders Zack and Tom

AT ADURA, WE BELIEVE EVERY EVENT DESERVES A TOUCH OF AUTHENTICITY, WARMTH, AND CULINARY EXCELLENCE. OUR NAME, ROOTED IN THE OLD MALTESE WORD FOR “TO LOVE AND TO ADORE,” REFLECTS THE CARE AND PASSION WE BRING TO EVERY DETAIL.

Nestled in the charming village of Mellieħa, Adura is more than just a restaurant — it’s a sensory experience inspired by Mediterranean fusion cuisine. With ingredients sourced locally and the majority grown on our own land, we create honest, fresh dishes of the highest quality.

Whether you're planning an intimate gathering, a wedding, a corporate event, or a special celebration, our dedicated team will guide you from the first idea to the final toast.

We offer personalized catering services, tailor-made menus, and the option to host your event at our venue or a location of your choice.

Backed by the quality of KM Restaurants and the vision of our founders, Zack and Tom, Adura combines flavor, elegance, and heartfelt hospitality to craft unforgettable moments.

Celebrate with us. Soulful food, meaningful events.

In just our first year, Adura has been honored with several industry awards — a testament to our commitment to culinary innovation, exceptional service, and unforgettable guest experiences.

Very impressed with what the team at Adura have created! Exciting, well-prepared dishes paired with excellent service. I especially enjoyed the ġbejna ice cream with tarragon and the Maltese sausage Kievs, but the entire menu offered fresh, creative takes on traditional flavors. The staff were all lovely, and we really enjoyed chatting with one of the owners after the meal — we felt truly welcome. Looking forward to seeing this establishment thrive. 🌟

Enjoyed my birthday get-together here! Generous portions, great selection of platters, and quality food. Table booking was easy, and there's convenient street parking. The place caters well to large groups — we were a party of 14+ enjoying food and drinks on the rooftop terrace. Sea views and custom cocktails made it feel special, all at reasonable prices.

I celebrated my one-year anniversary with my girlfriend at this restaurant, and it was just perfect. Five-star service — the staff were attentive, helpful, and went above and beyond to ensure we had an excellent evening. I rarely leave positive reviews, but this night truly deserved it. Thanks again!

I recently hosted a party at home and ordered outside catering from Adura. My guests were amazed by the mouth-watering food and beautiful presentation prepared by Zak and Thomas — you guys nailed it. Thank you! 🙌

I highly recommend visiting the restaurant or trying their outside catering. You won't be disappointed — c'est par excellence!
